

Niyaz Ahmad Khan

GTM Engineer | Visual Designer

☎ +8801787617564, ✉ ahmadkhanniyaz@gmail.com

LinkedIn: [/in/theniyazkhan](#), GitHub: [/theniyazkhan](#)

Sylhet, Bangladesh

Summary – Final-year Computer Science & Engineering student and published researcher combining a strong technical foundation in full-stack development and machine learning with extensive professional experience in visual design and GTM engineering. Proven track record of bridging the gap between engineering capabilities and market-ready visual products.

Education and Certifications

Metropolitan University, Sylhet

B.Sc in Computer Science and Engineering (Final year)

(2023-2026)

Certifications

- DSA From Fundamentals to Advanced (from Progsity)
- Introduction to Docker for Java (from LinkedIn)
- Microsoft Azure Fundamentals (from Microsoft)
- Imminent Health Risk (from Jubilant FoodWorks)

Skills and Tools

Language: C, C++, Java, Python (*Problem solving, Project building, Model Training*)

Frontend: React, Vue, HTML, CSS, Tailwind

Backend: Node, Express, PHP

Databases: MySQL, MongoDB

Machine Learning & AI: Pandas & NumPy, Scikit-learn

DevOps & Cloud: Docker, Microsoft Azure

Graphic Design: Figma, Adobe Photoshop, Adobe Illustrator

Experience

IntelliGency Solutions — GTM Engineer

Oct 2025 - Present

Lead the development of client-facing platforms, including a comprehensive doctor's appointment website. Drive company growth by designing engaging marketing posters, communicating directly with clients, and creating clear working procedures to optimize team workflows.

Domino's Pizza Bangladesh — GDA

Oct 2024 - April 2025

Managed daily logistics, resolved customer escalations independently, and coordinated cross-functional team scheduling to optimize operational workflow.

Islamic Online Madrasah (IOM) — Senior Visual Designer

Jan 2020 - Jan 2022

Joined as a graphics designer then promoted to Senior Visual Designer. Created visually engaging educational content, adhering to brand guidelines and enhancing the online learning experience. Translated concepts into compelling visuals, contributing to increased engagement across social media and promotional materials.

Projects & Research

CampusBite

Vue.js, Node.js, MySQL

A functional canteen management platform and pre-order system designed to solve the canteen rush problem. The system includes comprehensive modules for menu management and ordering systems. Deployed via Vercel with UptimeRobot monitoring, optimizing menu handling and order systems for real-time university traffic.

HealthBridge

HTML, CSS, PHP, MySQL

Web application One stop solution for appointment booking, donor management, pharmacy inventory handling, and more. It was a team project highly associated with database.

Parlor Management System

Java, Swing

A Java Swing-based desktop application for managing customer data and services in a parlor environment. The system includes user registration, login, treatment suggestions, admin functionalities, and a modern dark-themed interface.

Research

- Thesis on Student Performance Prediction Using Machine Learning. (*University Thesis during Artificial Intelligence course*)
- Can Synthetic Data Replace Real Data? Evaluating the Efficacy, Limits, and Label Trustworthiness of Generative Data in Supervised Learning. (*EFAST 2026, abstract accepted*)
- The Impact of Social Media Use on Student Productivity: A Behavioral Economics Perspective. (*Prepared for NICSDG-2026*)

Achievements

- **Champion of MU CSE FEST 2024** I'm proud to have been the Champion of the Design segment at MU CSE FEST 2024. The contest challenged me with five problem-solving design tasks based on specific instructions.
- **Finalist Intra Metropolitan University Programming Contest 2025** organized by MU CSE Society
- **Two Government Scholarships** (*PSC and JSC Board exams*)

Extracurricular Activities

MU Robotics Club

Executive Member

CSE SOCIETY

General Member

- CSE FEST 2023 - volunteering

MU Geography and Astronomical Society

General Member

- Volunteering club work 2024

MU Islamic Society

Design Secretary

- Organized **Seerah Conference 2025**
- Managed **Faith Future & Focus** Program

Other Educations

Islamic Online Madrasah

Bachelor in Dawah and Islamic Studies

Grade: Mumtaz

(2021-2023)

Iqra Online Academy

دبلوم في القرآن | Diploma in Quran

Grade: Mumtaz

(2022-2023)
